CC Pace a PMI Registered Education Provider Adds Two Courses to their Certification

July 22, 2009 (Fairfax, VA) – **CC Pace would like to announce that it has successfully fulfilled the Project Management Institute’s (PMI) Registered Education Provider (R.E.P.) quality criteria and operation guidelines for participating providers, for two additional courses. PMI is the leading global association for the project management profession. Since their founding in 1969, they have been at the forefront of working with business to create project management standards and techniques that work.**

The PMI’s R.E.P. program has been designed to enhance the ongoing professional development of PMI’s members, those credentialed through PMI and others in the project management profession. This certification now allows CC Pace to offer Professional Development Units (PDU’s) for these courses: Agile Project Management, Certified ScrumMaster, and Scrum Team Training.

CC Pace is a leading provider of training and consulting services. Founded in 1980, CC Pace has performed a wide range of training and coaching services for thousands of professionals and has over 29 years of consulting experience. CC Pace is privately held, with headquarters in Fairfax, VA, serving both national and international clients.

The PMI Registered Education Provider logo is a registered service and collective mark of the Project Management Institute, Inc
