ACT-IAC Academy Partners with CC Pace

January 28, 2019 (Fairfax, VA) – CC Pace is pleased to announce a partnership with the American Council for Technology (ACT) - Industry Advisory Council (IAC) Academy. This partnership will encompass CC Pace’s nationally recognized Agile Training curriculum to the ACT-IAC Academy’s broad list of course offerings that provide education and professional development to its members.

CC Pace, a long-recognized leader in the Agile community, will provide ACT-IAC’s members with select Agile offerings taught by seasoned experts. In April of 2019, the first course introduced through this partnership will be a Product Owner Workshop. “We are thrilled to partner with the ACT-IAC Academy and bring innovative training offerings to their schedule,” said Ron Peterson, Senior Practice Manager of the Federal Sector at CC Pace. “ACT-IAC is well-respected in the federal sector and we see this as a tremendous opportunity to connect with government and industry professionals to offer them relevant learning experiences to enhance their organizations.”

“ACT-IAC has long recognized that an educated and knowledgeable workforce is essential if we are to create a more effective and innovative government,” said Ken Allen, Executive Director of ACT-IAC. “We are pleased to offer exceptional Agile training for our community that will be provided through our partnership with IAC member CC

Pace. This partnership will provide the latest best practices, tools, and resources to advance government.”

ACT-IAC is a non-profit, public-private partnership dedicated to improving government through the application of information technology. ACT-IAC, with over 10,000 members, provides an objective, trusted and ethical forum where government and industry executives can communicate, collaborate and learn. The ACT-IAC Academy puts an emphasis on collaboration through experiential learning and the sharing of real world examples among both government and industry.

CC Pace is a leading provider of Agile software development, Agile training and IT consulting services. Founded in 1980, CC Pace has performed a wide range of training and coaching services for over 35,000 professionals. Headquartered in Fairfax, Virginia, CC Pace is a privately held company, serving both commercial and Government clients.
