CC Pace Partnership with Daniel Doiron to Feature a Free Kanban Introduction

June 6, 2016 (Fairfax, VA) – **CC Pace, a leading Agile IT services and training provider, is pleased to announce the formation of a strategic partnership with Daniel Doiron, a passionate Kanban Professional and active participant in the community. Daniel Doiron holds a long list of certifications including Accredited Kanban Trainer, Management 3.0 Facilitator and Certified Scrum Practitioner. Daniel is an international speaker in the Agile community and is currently concerting in developing a new dimension to the Kanban coaching stance.**

To kick off this union, CC Pace and Daniel Doiron will collaborate in presenting a free webinar *Introduction to Kanban* at noon on Wednesday, June 22, 2016. *Introduction to Kanban*, will highlight the principles and practices of Kanban along with an explanation of Kanban Boards. The webinar will also discuss in detail Agile vs Lean decision filters. Using Daniel’s own words, “Kanban is the alternative path to agility and the humane approach to change management. Based on the scientific method, Kanban will help you attain predictable results”

“We are excited to have Daniel working with us. Daniel has a unique set of skills and way of bridging the gap between current management practices and Agile and Lean

principles. We look forward to bringing his talents to our clients.” CC Pace’s Managing Director of Enterprise Solutions, Philippa Fewell, said.

CC Pace is a leading provider of Agile training, Agile software development and IT consulting services. Founded in 1980, CC Pace has performed a wide range of training and coaching services for thousands of professionals and has over 35 years of consulting experience. Headquartered in Fairfax, Virginia, CC Pace is a privately held company, serving both commercial and government clients.
